

Farzeen Wasif

Web & Mobile App Developer | AI-Enabled Apps Specialist

Faisalabad, Pakistan Phone: +92 3168709967 GitHub: github.com/Farzeensiddiquie Languages: English, Urdu
Email: farzeen@example.com

Profile Summary

Developer specializing in React.js, Next.js, and AI integrations, with a focus on clean UI and scalable fullstack solutions. I build modern, responsive apps that solve real-world problems - fast, secure, and beautifully designed.

Skills

Frontend:

- HTML, CSS, Bootstrap, Materialize CSS
- JavaScript, TypeScript, React.js, Next.js, TailwindCSS

Backend:

- Node.js, Express.js
- MongoDB, Firebase (Firestore, Auth, Storage, Functions)

Mobile:

- React Native (Expo Go)

AI Integration:

- OpenAI API, ChatGPT integrations

Design:

- Clean UI Layouts, Responsive Designs

Project Highlight: E-Commerce Web App

- Admin + Super Admin Dashboards
- Product Management, Secure Auth, Image Upload
- Tech Stack: React.js, Node.js, MongoDB, Firebase, TailwindCSS
- GitHub: <https://github.com/Farzeensiddiquie>

Services Offered

- Fullstack Web Apps
- Mobile Applications (React Native)
- Admin Panel Development
